VAL CANNOBINA-GURRO DETACHED HOUSE WITH GARDEN

In Gurro, a well-known hamlet in the Cannobina Valley, we propose a detached house on two levels with a terraced garden planted with fruit trees.

The house is divided into two flats of about 80 sqm each, each with independent access.

The flat on the ground floor consists of: living room with fireplace, kitchen, bathroom with shower, two bedrooms and large terrace.

The first floor comprises: entrance hall, living room, kitchen, dining room, two bedrooms and bathroom with tub.

The typical village house is surrounded by a terraced land of about 1000 sqm, on the side there is a rustic to be restored that can become a small studio of about 20 sqm.

The house also has a covered area to be used as a summer living room.

The roof was redone 15 years ago.

The house is in need of renovation and is ideal for lovers of tranquility and mountain walks.

The property can be reached by a 5 minute walk.

Gurro is a small village located in the upper Cannobina Valley, has 122 inhabitants. Easily reachable from Cannobio (16 km), if you come from Lake Maggiore, or from Malesco (18 km), if you come from the nearby Valle Vigezzo, this small village has a very ancient history. It is said that its origin dates back to 1525, the year in which some Scottish mercenary soldiers camped in the village without leaving.

Gurro still preserves an ancient old town centre with stone houses with large wooden loggias, narrow one to the other, and small streets that cross the entire town centre. In the centre of the old village there is the Ethnographic Museum of the Cannobina Valley, the "Circolo degli Scozzesi", two bars, restaurants and shops.
