INTRA-VERBANIA FOUR-ROOM APARTMENT WITH BALCONY AND PARKING SPACE.

Located in a very quiet area a few steps from the lakefront, the centre of Intra and convenient to all main services, we propose this spacious four-roomed flat with terrace and private parking space.

The flat, measuring over 100 square metres, is on two levels and has recently been renovated. It is immediately habitable and is part of a residential complex built at the beginning of the 1990s.

The living area is located on the ground floor: to the side of the entrance there is a service bathroom and a storage room; the large and bright living room with open kitchen has direct access to the terrace of about 18 sq. m. with a view of nature and from which one can hear the relaxing sound of a small stream.

The internal staircase leads to the sleeping area on the upper floor and consists of three bedrooms, one of which is a very spacious double bedroom and one with balcony, and a modern bathroom with shower.

The duplex, completely renovated and furnished, has independent heating and a private parking space within the property.

Thanks to the quiet location but very close to the centre of Intra, the generosity of the spaces and the convenience of private parking, this flat is suitable both as a main residence and as a holiday home.
